

Raid boss difficulty

Methodology

- ▶ Estimator for the minimal number of players with the best counters at level 30.
- ▶ Raid bosses are considered to have their worst attack (WA).
- ▶ Best friends, and extreme weather.
- ▶ Tier 5 = 15000 HP, Tier 6 (for Mewtwo only) = 22500 HP

Remarks Best Fire type Pokémon (better than Moltres). Excellent Dragon

Best Electric type Pokémon (although it has the ice weakness). Excellent Dragon.

Excellent flying type Pokémon depending on its moves

Will not have flying type moves. As Electric type Pokémon, it is as Electivire (with the ice weakness).

Will not have flying type moves. Could be an excellent ground Pokémon
